

Swimming At Turkey Lake

Dear Parents,

On the days that we attend The Turkey Lake Pool, we will have water days on campus for our **NON SWIMMERS** as well as Miss. Katie's **Pre-K campers**. If your child is not a strong/moderate swimmer they will stay at Trinity and enjoy a fun filled morning of water play and special activities. Please send your child to camp in their swimsuits with sunscreen already applied. It's a great idea to bring water shoes for your child to wear. Don't forget to pack a towel, change of clothes, underwear, socks and shoes. To help make this day extra fun for the campers that participate in water day we are looking for water toy donations.
