

# Grandparents Day is coming soon!

*September 10<sup>th</sup>* is just around the corner!

One of the first major events of our school year is Grandparents Day. We would like to honor our grandparents since they are such special blessings in our lives. We would like to send invitations to all grandparents. To assist us with this project we need you to complete the form below. Information should be brought to school at Open House on August 11. (If your child has more grandparents please list on back. If your child does not have a grandparent, feel free to list a special person. ) We only need one form per family.

We are hoping to create a special slide show for the pre-service at Chapel. If you have a special grandparent photo please email it to [gfoust@trinitydowntown.org](mailto:gfoust@trinitydowntown.org) or [dlblackwood@trinitydowntown.org](mailto:dlblackwood@trinitydowntown.org). We appreciate your help and look forward to an awesome Grandparents Day!
